

JOIN THE UTILITY DISCOUNT PROGRAM

The Utility Discount Program supports income-qualified customers with a discount of 60% off electricity and 50% off water, sewer and garbage costs. The average participant saves \$1,200 a year!

For eligibility guidelines, personalized assistance and more information, call (206) 684-0268. This information is also available online at seattle.gov/light/discount.

WHEN OUTAGES OCCUR, BE IN THE KNOW

In the Pacific Northwest, fall wind storms are common and often cause power outages. When an outage occurs, stay up to date with City Light's outage map for information on the restoration work and timeframe. Go to seattle.gov/light/outage to view our outage map.

GREEN UP!

Make an impact by contributing to a greener, more resilient energy future by joining the City Light Green Up program. Simply add \$3, \$6 or \$12 to your bill per month. Learn more by visiting seattle.gov/light/greenup or call (206) 684-3800.

SAFETY TIP FROM THE FIELD

"Generators can be effective during a power outage, but they need to be used with care. Always use portable generators outside in well-ventilated areas and away from your home."

AT WORK 
in your neighborhood

Seattle City Light crews are in these neighborhoods, working to provide reliable service:

- Arroyo/South Arbor Heights: installing underground conduits, vaults and streetlights to replace aging infrastructure;
- Downtown Seattle: converting historic globe streetlights to LEDs;
- Montlake: installing underground conduits and new LED streetlights;
- Pioneer Square/SODO: increasing electrical reliability by installing underground conduits;
- SODO/Industrial District: installing publicly accessible EV chargers at the utility's South Service Center;
- South Lake Union: installing an underground electrical vault near Fairview Avenue North and Republican Street.

This is a partial list. For details go to seattle.gov/light/atwork to access our map and learn about individual projects.
