

UNITED STATES OF AMERICA  
FEDERAL ENERGY REGULATORY COMMISSION

Seattle City Light

Project No. 2705-037

NOTICE OF COMMENT PERIOD EXTENSION

(April 24, 2024)

On March 29, 2024, the Commission issued a notice setting April 29, 2024, as the deadline to file comments on the Environmental Assessment of Seattle City Light's application for surrender of the license of the Newhalem Creek Hydroelectric Project No. 2705. On April 19, 2024, the National Park Service, filed a request to extend the comment period to May 13, 2024, to give more time to comment on the Environmental Assessment. On April 23, the U.S. Fish and Wildlife Service, and the Sauk-Suiattle Indian Tribe also filed requests to extend the comment deadline to May 13, 2024.

Pursuant to these requests, we are extending the deadline to file comments. The new deadline to file comments is now May 13, 2024.

Debbie-Anne A. Reese,  
Acting Secretary.
