

The 2017 and 2019 Seattle candidate tables below include candidates who were on the primary ballot and also raised funds.

The calculations describe the percent of Maximum Campaign Valuation that was reached for both primary-only candidates and those in the general election. Calculations include candidates who participated in the Democracy Voucher Program as well as those who did not.

Also described is the percent of program candidate contributions that came from vouchers.

2019 Candidates	Total Contributions	Top-Two % Over MCV	Primary-Only % Over MCV	Voucher Proceeds	Vouchers as % of Contribution - Program Candidates	MCV	Primary MCV
