Department Overview

The Pike Place Market Levy, approved by voters in November 2008, collects up to \$73 million in additional property taxes over six years for major repairs, infrastructure, and accessibility upgrades to buildings owned by the Pike Place Market Preservation and Development Authority (PDA). The PDA is a nonprofit, public corporation chartered by the City of Seattle. As part of its mission, the PDA is required to preserve, rehabilitate, and protect the Market's buildings.

The PDA manages the renovation project. The City receives levy proceeds in the Pike Place Market Renovation Fund established through Ordinance 122737 and provides cash to finance the project according to the PDA's construction schedule, including issuing limited-tax general obligation bonds to meet cash flow needs. The City collects \$12.5 million per year in levy proceeds through 2013, and up to \$10.5 million in 2014.

Pike Place Market Levy

Budget Overview

The Pike Place Market Preservation and Development Authority (PDA) has spent approximately \$65 million of the \$68.6 million of Levy funds allocated to the renovation. The project is 95% complete and is within budget and on schedule to be completed in 2014. The renovation has meant new jobs, employing an estimated 250 workers annually in a variety of trades and industries.

In total, the City issued \$25.5 million of bonds to meet the project's cash flow needs over the life of the project. Debt service on these bonds is paid from Levy proceeds that will continue to be collected through 2014. The bonds will be repaid by 2014 as they were only intended to be short-term financing for the project.

The PDA completed Phase I of the Levy renovation project, which included infrastructure upgrades to the Hillclimb, Leland, and Fairly buildings in June 2010. The PDA substantially completed construction on Phase II, which included major infrastructure repairs and seismic updates to the Corner, Sanitary, Triangle, and First and Pine buildings in July 2011. Phase III was completed in 2012, with the exception of window replacement along Western Avenue, and included renovations to the Economy, Soames Dunn, and Steward buildings.

As reflected in the Fund Table below, the Pike Place Market Levy is projected to have surplus funds at the end of the project. The Levy anticipated this possibility and directs that the funds either be provided to the Pike Place Market PDA or the returned to the voters, depending on the reason for the surplus. A final determination of the amount and the reason for the surplus and how the funds should be distributed will be made as part of the 2014 budget.
