Budget Overview

Until 2009, the Pacific Place Garage generated revenue sufficient to pay all of its expenses, including operating costs, equipment purchases, taxes, and debt service. However, due in part to poor economic conditions, reduced downtown retail sales activity and escalating debt service payments, the Pacific Place Garage is currently running a cash deficit. Although the City has tried various pricing scenarios and ultimately raised rates in spring 2012, these changes have not provided sufficient revenues to pay all operating expenses.

The Pacific Place Garage fund faces further financial pressures, including necessary repairs to the facility and attached equipment and continuing operating shortfalls. In light of these issues, the fund will rely on a loan from the consolidated cash pool until the facility can be sold pursuant to an option in the original financing agreement.
