COVID-19 protocol for visitors

All attendees 12 and older must provide proof of vaccination or proof of a negative COVID-19 test taken within 72 hours of the tour. These documents will be verified upon arrival at the tour meeting point.

The following documents will be accepted:

- CDC COVID-19 Vaccination Record Card or photo of the card
- Documentation of vaccination from a health-care provider or electronic health record
- State immunization information system record
- For anyone vaccinated outside the United States, a reasonable equivalent of any of the above
- Results of a negative COVID-19 PCR or antigen test that is FDA-approved and done within 72 hours of the event. (Note: At-home tests cannot be accepted.)

Additionally, **masks are required for all visitors at all times**, inside buildings and in crowded outdoor spaces.

Thank you and we look forward to seeing you on November 9.
