

RESPONSE TO OPA2014-0526 Management Action Recommendation

June 09, 2015

Capt. Koutsky:

Attached, please find a Management Recommendation from the OPA Director recommending that SPD clarify what constitutes "on duty" work for purposes of armed entry into the KCC. Would you please review the recommendation and let's discuss what approach to take. If you concur with the recommendation, please consider where else this clarification might apply so that we can update the manual holistically.

Dir. Murphy:

This email serves to confirm receipt of OPA2014-0526 Management Recommendation and to update you on the initial steps taken.

Please let me know of any questions or concerns.

Thank you,
