

15TH AVE W/NW AND BALLARD BRIDGE PAVING PROJECT

May 2022

PROJECT OVERVIEW

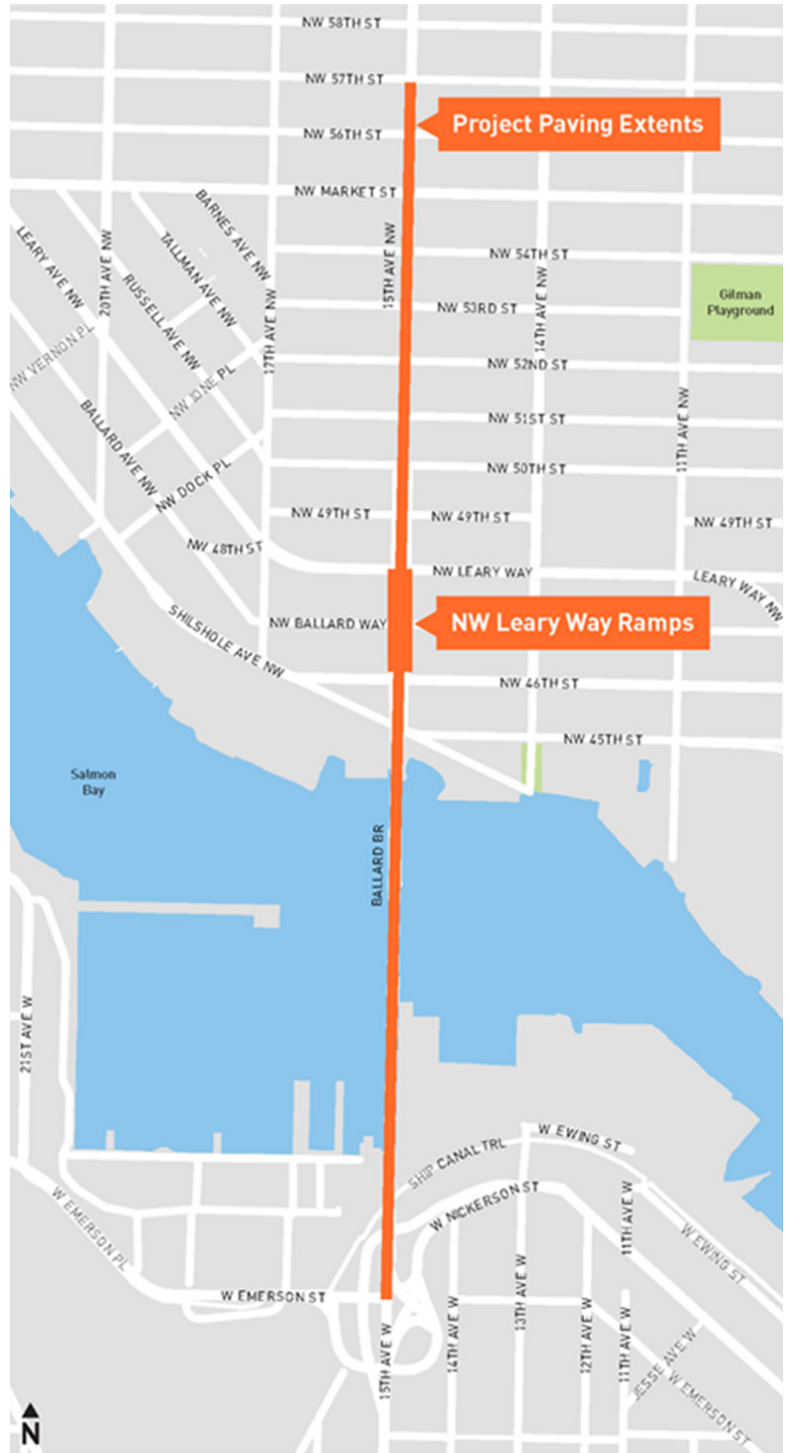

15th Ave W/NW is a major arterial serving northwest Seattle. As part of the Levy to Move Seattle AAC (Arterial and Asphalt and Concrete) Paving Program, the Seattle Department of Transportation (SDOT) is paving 15th Ave W/NW and the Ballard Bridge Deck between W Emerson St to NW 57th St as soon as Summer 2023. The project will restore the road condition of a critical piece of Seattle's arterial network and contribute to SDOT's Levy commitment to pave up to 180 lane-miles of arterial streets by 2024.

Improvements will include:

- Asphalt paving on 15th Ave W/NW, beginning from the pavement change near W Emerson to NW 57th St
- Asphalt paving on the Ballard Bridge
- Will include bridge deck repairs, as identified through the planning process
- Replacement of selected concrete panels from the Ballard Bridge to NW Leary Way

PROJECT SCHEDULE

April 2022: Early design

Spring 2023: Design

Summer 2023: Construction

Fall 2024: Completion

PROJECT BACKGROUND

Each year, we pave arterial streets in poor condition to make them safer, smoother, and to extend their useful life. Keeping our transportation system in a good state of repair helps lower the cost of future maintenance. We prioritize paving based on street pavement condition, traffic volume, geographic equity, cost, and opportunities for grants or coordination with other projects in the area.

BUDGET

This project is part of SDOT's Arterial Asphalt and Concrete (AAC) Paving Program. Design and construction of our paving projects are funded by the Levy to Move Seattle, approved by the Seattle voters in November 2015. Learn more about the levy at seattle.gov/LevytoMoveSeattle. This project also received funding from a Puget Sound Regional Council (PSRC) grant and a National Highway Freight Program (NHFP) grant.

NEXT STEPS

You will continue to hear from us throughout the design and construction phases over the next 2 years. Visit the project webpage for more information and to sign up for project email updates! You can contact the project team at 15thAveW_NWpaving@Seattle.gov if you have any questions.
