- Install and upgrade curb ramps to be compliant with the Americans with Disabilities Act (ADA)
- Relocate pedestrian push buttons to accommodate ADA curb ramps
- Replace traffic detection loops that control signals
- Make bus stop improvements in some places

Swift Ave S / S Myrtle St / S Othello St needs to be repaved

BENEFITS

We believe it is important to maintain our streets. Our Paving Program helps take care of the basics by rehabilitating arterials each year.

Arterial streets are primary routes that connect neighborhoods, communities, and businesses districts to one another and the regional transportation network.

Keeping our transportation system in good repair helps lower the cost of future maintenance and extends the useful life of our roads.
