

CONSTRUCTION NOTICE

AUGUST 2017

Aurora Ave N Signal Installation

We're installing crossing improvements at the intersection of Aurora Ave N and N 92nd St.

Our construction team is preparing signal pole foundations and digging utility trenches to connect the new signal to the existing electrical grid. While they are working, access to N 92nd St from Aurora Ave N will be restricted for approximately 4 weeks. Those needing local access to N 92nd St are encouraged to use Linden Ave N or Stone Ave N.

We are working quickly with the goal of having the new signal installed and turned on for the start of school in September. Please contact us at the phone number or email below if you have any questions or concerns.

WE WANT TO KEEP YOU UP TO DATE! Sign up for email updates on our webpage.

CONSTRUCTION SCHEDULE (SUBJECT TO CHANGE)

This week and next:

- Signal foundation work at sidewalk corners, and trenching and laying conduit on Aurora Ave N and N 92nd St.

Upcoming work:

- Fire hydrant relocation in northeast corner of Aurora Ave N and N 92nd St. Seattle Public Utilities (SPU) will provide notice of any water shutoffs required as part of this work.
- Concrete pours and signal pole delivery

WHAT TO EXPECT DURING CONSTRUCTION

In general, here's what to expect during construction:

- Access to N 92nd from Aurora Ave N is restricted for approximately 4 weeks. Those needing local access to N 92nd St are encouraged to use Linden Ave N or Stone Ave N
- Intermittent lane restrictions on Aurora Ave N
- Parking restrictions near work zone
- Noise, dust, and vibration typical of construction
- Some sidewalk work may require pedestrian detours
- Normal work hours from 7 AM to 7 PM, Monday through Friday, with some night and weekend work

Department of
Transportation

CONSTRUCTION NOTICE

AUGUST 2017

THE PROJECT WILL:

- Add a new signal on Aurora Ave N at N 92nd St for people walking and biking
- Modify curb ramps as needed at Aurora Ave N and N 92nd St
- Add a median island on Aurora Ave N at N 92nd St to help reduce cut-through traffic and encourage walking and biking to school
- Support the planned Safe Routes to School connection between the existing neighborhood greenway on Fremont Ave N and the new school complex east of Aurora Ave N

This work is part of the Aurora Ave N Corridor Improvements project funded by SDOT's Neighborhood Street Fund program.

Thanks for your patience as we complete this work.
