

Sidewalk construction begins as soon as August 3 in front of Wedgwood Elementary and south along 28th Ave NE to NE 83rd St

Construction Update

Beginning as soon as **Monday, August 3**, crews working for the Seattle Department of Transportation (SDOT) will construct pedestrian safety improvements in your neighborhood, including:

- New sidewalk on the north side of NE 85th Street from the west edge of Wedgwood Elementary to 30th Avenue NE.
- New sidewalk on the west side of 28th Avenue NE from NE 83rd Street to NE 85th Street
- New curb ramps and marked crosswalks

Noticia de construcción

La fase 1 de la construcción (línea azul sólida en el mapa) comienza tan pronto como **el lunes 3 de agosto**. Los equipos que trabajan para el Departamento de Transporte de Seattle construirán nuevas aceras, rampas y cruces peatonales marcados.

Los equipos trabajarán durante los días laborables de 7 de la mañana a 6 de la tarde. Habrá ruido, polvo y vibraciones, desvíos a corto plazo, restricciones de estacionamiento y la eliminación de los elementos en la vía pública. Esperamos terminar para mediados de septiembre.

Por favor siga desvíos fijados, retire artículos personales de la vía pública, y contacte a Tricia Tillmann si tiene preguntas y preocupaciones utilizando la información provista abajo.

Background

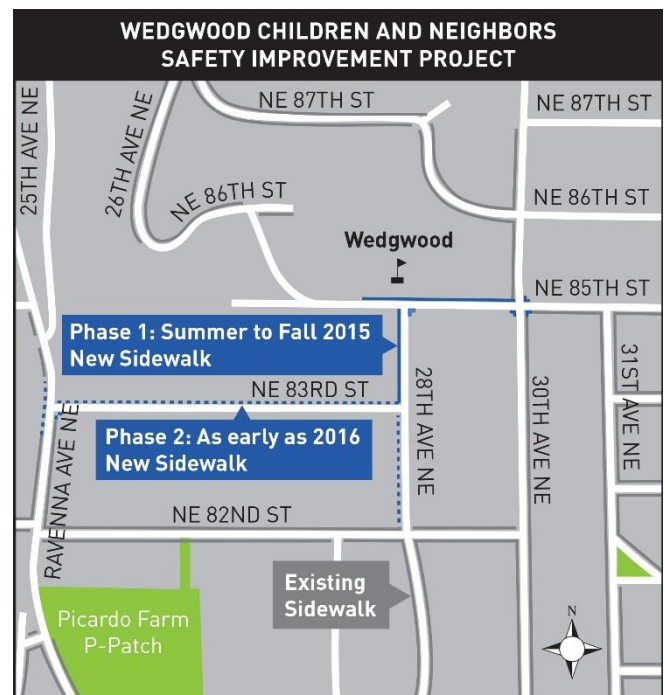

Parents and neighbors of Wedgwood Elementary started this project to improve the walking and biking route to school, and to educate and encourage kids to walk and bike safely. Phase 1 of the project is being constructed now; final design for Phase 2 is expected in late 2015. Washington State Department of Transportation and SDOT's local Safe Routes to School program are funding this work.

Actions for Residents and Business Owners

- Remove items in the public right of way.
- Follow posted detours and avoid disturbing work crews.
- Park at least 10 feet from "no parking" signs and avoid parking between signs.
- Contact the project team with any questions or concerns using the information below.

WHAT TO EXPECT DURING CONSTRUCTION

- **Typical weekday work hours, 7 AM to 6 PM**
- **Completion by mid-September 2015**
- **Short-term sidewalk detours, parking restrictions and partial lane closures**
- **Noise, dust and vibration associated with concrete removal and paving**
- **Removal of items in the public right of way**
