

## Construction at 12th Ave E/E Harrison starts Monday, February 24

### PROJECT OVERVIEW

We're making safety improvements as part of our [Safe Routes to School \(SRTS\)](#) program to make it safer and easier for kids to walk and bike to Lowell Elementary and Meany Middle School. These improvements will create a new neighborhood greenway linking the two schools.

### WORK AT 12TH AVE E AND E HARRISON ST

As soon as Monday, February 24, we will install accessible curb ramps, new curb bulbs, and a new Rapid Flashing Beacon at this intersection. To complete this work safely and efficiently, E Harrison St will have temporary closures on the east side of the intersection (see map at right). Once we have completed work on the east side, we will transition to the west side of the intersection.

Thank you in advance for your patience during this work!

### CONSTRUCTION SCHEDULE

Construction is anticipated to start as soon as late February and last approximately 6 weeks. Work will occur Monday – Friday, 7 AM – 5 PM. This schedule is weather dependent and subject to change.

### WHAT'S NEXT

Once work at 12th Ave E/E Harrison St is complete, we will continue work along the route. Please check the project webpage for updates and more details.

### WHAT TO EXPECT

We will minimize construction impacts as much as possible. During construction, please expect:

- Weekday work hours of 7 AM – 5 PM, Monday through Friday
- Temporary closure to through traffic of E Harrison St and 12th Ave E (see below)
- Noise, vibrations, dust during work hours
- Signs and flaggers to direct people around the work zone, including temporary detours
- "No Parking" signs placed in work area 72 hours in advance of work starting
- Equipment and materials in the work area

Map of work area including anticipated temporary detours and road closures.
