Definitions

Factor/Term

Description

ROW Simple

A simple permit is a permit that requires minimal review, such as a dumpster or storage container.

ROW Complex

A complex permit requires technical review and coordination, such as a 50-foot utility trench, a tower crane or other construction staging.

General Long-Term

Permits scheduled to renew on an annual basis for long-term, continuing uses of public right-of-way. This applies to Council Term and Shoreline Street End permits as well as the following long-term permit use codes: 2A, 3D, 7, 7A, 7C, 8, 11, 12, 14, 16, 19A, 21, 22B, 29A, 62, WW100, and WW150 that all have base fees listed on Table A. It does not apply to long-term permit use codes 6 and 52 which are included in Table A2.

Public Street & Sidewalk Activities

A public street and sidewalk activity is open to the public.

Attachment B: Seattle Department of Transportation Street Use Fee Schedule - clean version
Effective January 16, 2023

Private Street & Sidewalk Activities	A private street and sidewalk activity is for invited guests, customers, or a select intended audience only.
Year-round Business Activation Permit	A long-term permit for year-round sidewalk cafes, curbspace cafes, and merchandise displays. This applies to the following long-term use codes: 18A, 18B, 18D, and 18E.
Year-round Business Activation Additional Space	A space is defined as one of the following: a sidewalk frontage zone along a single building frontage, a sidewalk furniture zone along a single building frontage, or a curbspace along a single building frontage. The first space on an application is included in the base Year-round Business Activation Issuance Fee; each additional space is charged an Additional Space fee.
Seasonal Business Activation Permit	A permit for seasonal sidewalk cafes, curbspace cafes, and merchandise displays. These permits are active only from April 1 through October 31 of their issuance year. This applies to the following use codes: 18AS, 18BS, 18DS, 18ES.
Land value	<p>For Term permits, the value of the use area in the right-of-way shall be based on the abutting parcel's current per-square-foot land value as determined by the King County Assessor. If the use area extends beyond the right-of-way centerline or abuts multiple parcels, the permit fee shall be calculated by averaging the abutting parcels' current land values.</p> <p>For Shoreline Street End permits, the value of the use area in the right-of-way shall be based on the abutting parcel's current per-square-foot land value as determined by the King County Assessor. If the use area extends beyond the centerline of the right-of-way or abuts multiple parcels, the permit fee shall be calculated for each portion of the use area according to the current per-square-foot land value of the abutting parcels.</p> <p>If all parcels abutting the Term or Shoreline Street End permitted use area are government-owned and the parcels are not tax assessed in whole or in part by King County, the parcels shall be excluded when establishing the Term or Shoreline Street End permit fee. To determine the permit fee, the current per-square-foot land value as determined by the King County Assessor of the closest privately-owned parcel or parcels with the same zoning or shoreline designation of the Term or Shoreline Street End permitted use area shall be averaged. If the next closest privately-owned parcel or parcels do not have the same underlying zoning or</p>

shoreline designation as the abutting government-owned parcel, the Seattle Department of Transportation shall consult with the City Appraiser. The City Appraiser shall determine if the next closest parcel or parcels with similar zoning or shoreline designation reasonably establishes the current per-square-foot land value of the use area in the right of way for fee calculation purposes.

Use area	Square footage of the permitted encroachment in the right-of-way, as authorized by Seattle Department of Transportation.
Transit/Bike/Ped Impacted	When a transit lane, bike lane or pedestrian sidewalk or pathway is partially closed, but mobility for the traveling public is maintained.
Transit/Bike/Ped Blocked	When a transit lane, bike lane or pedestrian sidewalk or pathway is closed to the traveling public.
Rate of return	Annualized rate of return on market value of the right-of-way, as established by the City Appraiser or a State of Washington Certified General Real Estate Appraiser retained by the Director of Transportation.
Degree of alienation	For Term permits, the degree of impact on the public, utilities, right-of-way, and other potential uses of the right-of-way based on City policy, as established by Seattle Department of Transportation.
Demand probability	For Shoreline Street End permits, the estimated demand of probable use shall be based on factors that include, but are not limited to, location, access, size, view, and topography; as established by the City Appraiser or a State of Washington Certified General Real Estate Appraiser retained by the Director of Transportation. Refer to Ordinance 123611, Attachment A: Demand Probability Factor. The Director of Transportation is authorized to update Attachment A based upon the recommendations of the City Appraiser or a State of Washington Certified General Real Estate Appraiser. The new Demand Probability Factor shall become effective when the updated Demand Probability Factor is adopted by rule.
Maritime Industrial Use Discount Factor	To support the City's policies of protecting its maritime uses, a 50 percent discount factor shall apply to that portion of the Shoreline Street End occupied by a legally established water-dependent or water-related use as defined in Seattle Municipal Code Section 23.60.944.

Use of Shoreline Street End Fees

The Department of Transportation is directed to use the shoreline street end permit fees credited to the Transportation Operating Fund for the following purposes:

- (a) Notifying property owners that abut shoreline street ends of the need for permits for private use of the street end and of the fee schedule;
- (b) Administering and inspecting shoreline street end use;
- (c) Verifying property boundaries and area of use;
- (d) Matching funds for neighborhood improvements of shoreline street ends for public use;
- (e) Signing, demarcating, and maintaining shoreline street ends; or
- (f) Funding street and sidewalk improvements within a half-block radius of any of the shoreline street ends identified in Exhibit A to Resolution 29370 that directly contribute to public access to the shoreline street end.

Use of Vending Fees

Fees for vending activities authorized under Chapter 15.17 shall be deposited in the Transportation Fund. Street Use permit fees for vending activities may be used by other City departments for vending enforcement as authorized by the Director of Transportation and shall be used by the Department of Transportation for the following purposes:

- (a) Administering the vending program, including notifying property owners abutting a proposed vending site designated by the Department of Transportation;
- (b) Verifying property boundaries and square footage of usage;
- (c) Designating pre-approved vending sites by the Department of Transportation;
- (d) Signing and demarcating designated vending sites and food vehicle zones;
- (e) Attending meetings or hearings;
- (f) Preparing documents, legislation, forms, and notices;
- (g) Inspecting and enforcing permitted or illegal vending activity; or
- (h) Engaging in any other vending-related activity as directed by the Director of Transportation.
