Share Your Feedback About Extending Bus Lane Hours and Your Rider Experience

King County Metro and the Seattle Department of Transportation are seeking feedback from people who ride the bus on Elliott Ave W and 15th Ave W. We're evaluating extending the operating hours of the existing bus lanes to be 7-9 AM and 3-7 PM in both the northbound and southbound directions. The bus lanes extend from W Mercer Pl to W Armour St.

Take our quick survey today! Share your thoughts about extending bus lane hours and your experience riding the bus.
