

WASHINGTON MIDDLE SCHOOL CONNECTION (21ST AVE) NEIGHBORHOOD GREENWAY

January 2020

What's Happening Now?

The Washington Middle School Connection (21st Ave) Neighborhood Greenway will soon be under construction!

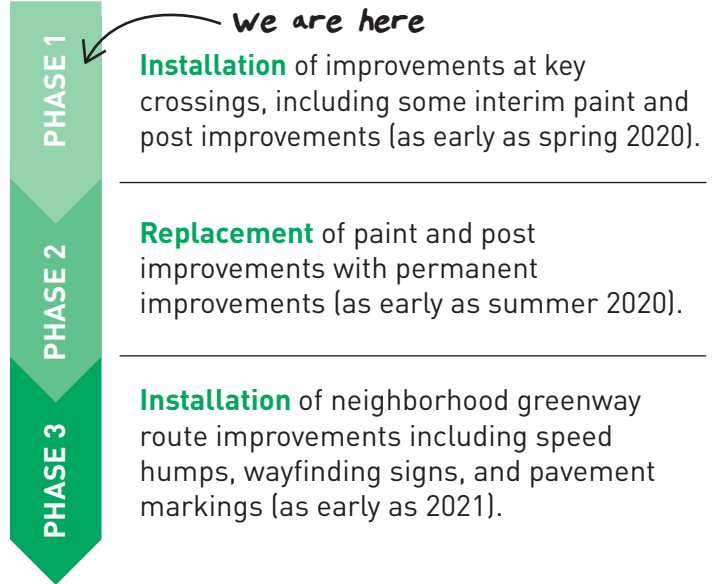

This year, we will begin installation of interim crossing improvements on 21st Ave between E Union St and S Jackson St. "No Park" signs will be placed in anticipation of this work.

PROJECT DESCRIPTION

The Washington Middle School Connection (21st Ave) Neighborhood Greenway will enhance safe access for students walking and biking to Washington Middle School. It will also connect residents to local parks and businesses as well as the citywide transportation network. It will connect with the existing Central Area North-South Neighborhood Greenway, the existing Central Area East-West Neighborhood Greenway at E Columbia St, the Central Ridge Neighborhood Greenway (under construction), and the S King St Neighborhood Greenway (under construction). The new neighborhood greenway will bring affordable, active transportation options for people of all ages and abilities.

This project is funded by the 9-year Levy to Move Seattle, approved by voters in 2015. Learn more about the levy at www.seattle.gov/LevytoMoveSeattle.

This work will be done in three phases:

WHAT IS A NEIGHBORHOOD GREENWAY?

Neighborhood greenways are safer, calmer residential streets for you, your family, and neighbors. We make people walking and biking the priority.
